Dear Mike and the Sunburst Staff,

Thank you so much for opening your gym to the Union High School Gymnastics team.

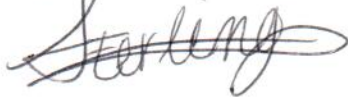

The girls and I are very grateful that we were able to start our season on time despite not being able to use our own gym. Being able to practice at Sunburst proved to be extremely beneficial to the team and has enabled the girls to be prepared to start the season confidently.

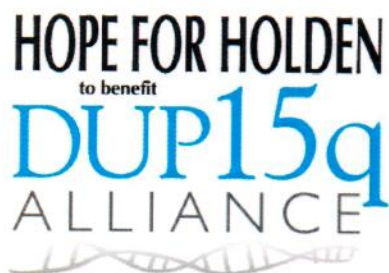

We appreciate your generosity and hospitality. The entire staff was welcoming and accommodating. We look forward to continue growing the relationship between Union Gymnastics and Sunburst.

Sincerely,

To our friends at Sunburst Gymnastics:

I would like to personally thank you for your donation to the "Hope for Holden to benefit Dup15q Alliance" fundraiser that was held on September 16, 2017. Because of your generosity and support, we raised over \$14,000! Thank you for donating the gymnastics birthday party. Noelle Winer looks forward to celebrating her son's birthday with you!

Our family truly believes that research is the key to infinite possibilities and we hope and pray every day that these trained medical professionals will make a breakthrough that will improve the quality of life for our son Holden and all of his Dup15q brothers and sisters. That is why we held this event and will continue to work tirelessly to raise money and awareness. We need more people to know about Dup15q and help us fight for our cause! More than anything, we want for Holden to reach his full potential and live a happy and healthy life.

When you ask if your donations matter, please know that they really do. It is what helps enable us to offer grants to researchers, which in turn can catch the eye of the NIH. This is why our family works so hard to raise money and awareness. Because our family will always BELIEVE! Please know that your donation has made a difference and we appreciate your love and support each and every day. We hope that we can count on you to donate again for next year's event!

You are truly Holden's Hero and we are blessed to have your in our lives!

With gratitude,

Lauren, Marc, Reid, and Holden Weissberg

*"Our love today
will show tomorrow"*

Dear Sunburst Gymnastics,

The children of Battle Hill Elementary School thank you very much for your contribution to their 5th Annual Pocketbook Bingo and Basket Raffle. The event took place on Friday, November 17, 2017 and was very successful. The raffle was one of the highlights of the evening and the birthday party you graciously donated attracted a lot of attention. Our event was a great success and we were able to surpass our fundraising goal this year by over 2,000 dollars!

This will allow us to provide our students with a memorable school year filled with fun and educational assemblies, school events and much needed school supplies. We are also looking forward to the spring when we can continue our tradition of giving back. The fundraising provided from this event will allow us to continue to serve our community as well as provide scholarships to graduating Union High School students in honor of Jason Lopes and Miss Crystal Sretchen. Service and recognition of those who go above and beyond is a cornerstone of the Battle Hill Elementary School's philosophy and without wonderful people like you, this would not be possible.

Once again, a big heartfelt thank you from everyone at Battle Hill Elementary School!

Warmest regards,

Rosemary Caixinha
